

# CONSTRUCTION NOTICE

## NORTH SHORE DRIVE RECONSTRUCTION

The following activities will be occurring as part of the construction.  
We anticipate these activities will occur on the following dates:

**September 26, 2016**

- The street will be closed to through traffic. Access will be maintained to your property whenever possible. If you cannot access your driveway, park on the nearest cross-street or designated parking areas. Police have been notified.
  - Please turn off service to irrigation systems, landscape lighting, etc. and mark existing private improvements. You are encouraged to salvage your own privately-owned improvements prior to construction. The contractor will endeavor to expose and lay back the cut ends of irrigation piping or conduit, but these systems will likely require repair or replacement following construction.
  - Other: North Shore Drive between Dyckman and Brockway will be detoured during this phase of the construction. Traffic will utilize Dyckman Avenue, Park Avenue, and Brockway Avenue.
- (See Attached Map)
