

CONSTRUCTION NOTICE

Monroe Boulevard and Indian Grove Lift Station Reconstruction Project

Construction crews are scheduled to begin the roadway and utility reconstruction in your area during:

Week of September 26, 2016

Reconstruction of Monroe Boulevard and Indian Grove Lift Station will begin on Monday, September 26, 2016. Kalin Construction of Sodus, Michigan has been contracted to undertake the reconstruction of the sanitary sewer, storm sewer, and water distribution utilities as well as the proposed improvements to the roadway, including the addition of curb and gutter and sidewalk facilities.

The work will be conducted between Fall 2016 and Summer 2017 and phased with the goal of reducing the inconvenience to residents impacted by the project. Phase 1 of construction will concentrate on underground utilities from the South City Limit to Lovejoy Avenue, including the Indian Grove Lift Station. Once Phase one is complete, the work will shift north of Lovejoy Avenue up to the northerly project limits near Aylworth Avenue.

Abonmarche Staff will notify residents with door hangers as construction progresses and when construction activities may cause utility interruptions or limit access to/from property. Abonmarche and the City of South Haven will be working closely with the Construction crews to minimize your inconvenience.

In order to promote communication with the Public, Abonmarche and the City will hold weekly Tailgate Talks on site to inform you of the construction activities for the following week. Meetings will take place on Thursdays at 9:30am at the intersection of Monroe Boulevard and Lovejoy Avenue. The first Tailgate Talk will be held on Thursday, September 29, 2016.

Detour Routes are Shown on the back of this document.

Weekly progress updates will be published online at:
